

POLICY DOCUMENT - 2022

Policy No. F.A. -04

Policy Name: Promotion of Research (Intramural Grants Program (IGP))	Policy Category: Faculty		
Initial formulation No. and Date: 21/07/2022			
Preamble: Providing structure, systems, guidance and financial assistance for promotion of research among faculty and students			
The Intramural Grants Program (IGP) is all-inclusive and harmonized highly competitive grant program that supports Undergraduate, Interns, Doctoral Scholars, Young Research Scholars, Faculty research for proficient development, programmatic projects and innovative works in all disciplines of health science colleges of NYSS. It is designed to support Undergraduate, Doctoral Scholars, Young Research Scholars, and Faculty in becoming competitive in securing external funding and sponsorship. Supported projects are expected to result in appropriate scholarly products that will increase the National and International recognition of the awardees, their programs, all health colleges of NYSS.			
Intramural grant Program is open to any faculty or staff member, student group, or unit within the health science colleges of NYSS community.			
Seed Grant- Provides funding for all disciplines to assist students and faculty with initiating research projects or producing data for extramural grant applications, or creative scholarship and research projects with a demonstrated likelihood of significantly enhancing the reputation of health science colleges of NYSS.
