

POLICY DOCUMENT - 2022

Policy No. F.A. - 06

Policy Name: Financial Assistance and Incentives for IPR	Policy Category: Faculty
Initial formulation No. and Date: 21/07/2022	

Preamble: To inculcate and nurture research ecosystem at all health sciences colleges of NYSS. The policy is intended to encourage greater efforts in innovative research and achieve successful outcome in terms of patent and copyright, so as to enhance the research performance of faculty members at the individual level as well at the institution level.

Criteria's/Guidelines:

- The incentives for patent will be provided only after providing patent receiving and publishing certificate
- The faculty member will be solely responsible to produce evidence of having patent and copyright.
- The applicant has to produce a printed copy of the evidence using multiple resources. Also it will be cross verified at the institution level by the R and D committee of all health science colleges.
- Plagiarism and any irregularities shall attract severe disciplinary action as per the service rules, including recovery of twice the amount of incentives paid earlier.

The processing fees will be given only for patent and copyrights as mentioned below.
