About DMAMCHRC

Datta Meghe Ayurvedic Medical College, Hospital & Research Centre (DMAMCHRC), Wanadongri, is one of Central India's premier institutions dedicated to excellence in Ayurvedic education, patient care, clinical training, and scientific research. Established under the aegis of Nagar Yuwak Shikshan Sanstha (NYSS), the institution is committed to nurturing competent Ayurvedic professionals through a perfect blend of classical Ayurvedic wisdom and contemporary medical advancements. Situated within the sprawling academic campus at Wanadongri, Nagpur, DMAMCHRC offers an intellectually stimulating environment supported by world-class infrastructure, experienced faculty, advanced laboratories, a fully functional teaching hospital, modern diagnostic facilities, and a vibrant research ecosystem. The institution has emerged as a preferred destination for aspiring Ayurveda professionals seeking quality education, clinical excellence, and research opportunities.

Academic Programmes

UNDERGRADUATE

Annual Intake: 100 Students

The undergraduate programme is designed according to the latest NCISM Competency-Based Medical Education (CBME) curriculum, emphasizing integrated learning, early clinical exposure, skill development, community orientation, and evidence-based Ayurvedic practice.

POSTGRADUATE

Total Annual Intake: 77 Seats

DMAMCHRC offers postgraduate education across major clinical, para-clinical, and fundamental disciplines of Ayurveda, providing advanced academic training, specialized clinical exposure, and research opportunities.

Postgraduate Departments

These postgraduate programmes focuse on advanced clinical training, evidence-based practice, interdisciplinary learning, scientific research, dissertation work, and the development of future academicians, clinicians, and researchers in Ayurveda.
